

## Scholarships

In addition to recruitment scholarship opportunities for incoming freshmen Dance major students in the College of Liberal Arts Undergraduate Office, merit and need -based scholarship opportunities are available to returning Dance major students on an annual basis pending available funds. Current students are given the opportunity to apply for available scholarships in winter/spring for the following academic year. Scholarships are awarded to Dance major students demonstrating achievement in one or more of the following criteria areas: leadership, performance and technical proficiency, scholastic and academic excellence, creativity and choreography, collaboration and interdisciplinary efforts, as well as the quality of the written application and stated financial need. Scholarship information and application instructions are emailed to Dance major students and posted in the Barbara Barker Center for Dance approximately one month prior to the deadline.

The College of Liberal Arts also awards scholarships to continuing students through an annual application process:
